

Dream in the mountains

Envelopes you in a cloud of comfort

Designed for backpacking

and just as convenient for:

- bivoac
- hammock
- tent
- hut/cabin
- camper
- hostel
- motel/hotel
- cruise

Protects your sleeping bag

- Replaces your bag liner
- Washable
- Adds warmth

Details

Soft stretchy edging holds hood and cuffs in place. Retains heat.

Ultralight soft zipper

- allows temperature adjustment
- allows removal from top down

Hook & loop quick-connect holds up hem

- for washing in creek
- to avoid mud and other surface conditions

Pocket

- for toilet paper, biodegradable all-purpose soap, etc
- keeps hands warm

Thumb Loops

- in case you want to pull on another layer, like a rain jacket
- raglan sleeves for ease of fit

Bottom access:

- Calculated stride length
- Foot box to tuck in feet

Body care solution.

Warmth
Cleanliness
Modesty

Wicking, insulating, dreamy fabric

66% Rayon
from Bamboo
28% Cotton
6% Spandex

Better than a sleeping bag liner

- Moves with you
- Goes with you when nature calls
- Keeps you warm while you wash
- Adapts to weather
- Allows 'cuddling' potential

A barrier between you and everything else.
